

EASY TO VOTE - HARD TO CHEAT

North Carolina Election Integrity Team (NCEIT)

(pronounced in'sīt)

NCEIT Mission

NCEIT's mission is to establish a trusted, statewide infrastructure, comprised of a network of county election integrity task forces with operators who are trained, certified, and geographically positioned to ensure secure and legitimate election processes, November 2022 and beyond.

NCEIT Goals

1. Create and maintain an active, ongoing, trained citizen election integrity task force in key counties in 2022, with a goal to have a task force in every county by January 2024, implementing all components of the "Citizens Guide" in each county.
2. Observe, report and adjudicate every voting and election irregularity so citizens will find it easy to vote, but very hard to cheat.
3. Put trained observer eyes on every ballot handling operation, statewide.
4. Ensure every election process has an audit provision, including provisions for a full forensic audit in selected jurisdictions or statewide.
5. Compel strict compliance with all NC voting and election laws.
6. Establish the NCEIT network across all jurisdictions to ensure every precinct and early voting site is continuously staffed with certified observers.
7. Protect the voting processes for every vulnerable voter.
8. Educate the North Carolina General Assembly (NCGA) on loopholes and vulnerabilities in North Carolina voting and election laws; advocate to close all such loopholes.
